

# Easy Microwave Chocolate Cake

**Preparation time:** 5 mins

**Cook time:** 2 mins

**Servings:** 2

## Ingredients

- nonstick cooking spray
- ¼ cup white sugar
- ¼ cup milk
- 1 large egg
- 3 tablespoons butter, softened
- 1 teaspoon vanilla extract
- ½ cup all-purpose flour
- 2 tablespoons cocoa powder
- ¼ teaspoon baking powder
- 1 pinch salt

## Directions

1. Spray a medium microwave-safe bowl with nonstick cooking spray; set aside.
2. Combine sugar, milk, egg, butter, and vanilla in a mixing bowl; mix well. Combine flour, cocoa powder, baking powder, and salt in a separate bowl. Blend flour mixture into milk mixture until smooth. Pour into the prepared microwave-safe bowl.
3. Cover and cook in the microwave on high until cake springs back when touched, 2 to 2 1/2 minutes. Allow cake to cool for 5 minutes, then cover the bowl with a plate and invert cake onto the plate.
